ercises as follows:

friends and acquaintances is expected.  
The committee has spared no pains to  
make this a successful affair and the re-  
sponses to the circulars issued a short  
time ago have been many.

Probably the baseball game will prove  
most exciting. Several old timers  
have agreed to don a uniform and show  
how the real ones played years back.  
Many predict the present team must travel  
rapidly to win.

Percy Y. Fogg of Norway, treasurer  
of the association, can supply banquet  
tickets at a reasonable price.

Miss Mary Pike and friend of North  
Lynnmore were Memorial Day guests at  
Mr. and Mrs. Arthur Buck's.

from their annual fishing trip with a  
fair catch.

chard.

High School Track Meet  
Paris High School cleaned up 50 points  
against Norway High School's 36 points  
during the track meet at the fair grounds  
Wednesday forenoon. The affair was  
carried over from Saturday owing to  
rain, and at that time Gould's Academy  
was in on the sport. The Bethel school  
cancelled at a late hour, leaving the  
Twin-Towns to fight for two positions.  
Both outfits were strongly supported and  
the friendly rivalry proved good clean  
sport.

Inter-Bracket of South Paris, a  
clever sprinter recently discovered during  
the inter-class meet proved the high  
mark athlete, securing 20 points, or five  
points less than half the total won by  
his school. He landed all but five marks  
on sprints and runs. Clarence Dyer of  
Norway was second highest in the meet  
and the greatest point gatherer for his  
school. "Billy" Ledger of Norway was  
only one point behind in the sprinting  
series. His argument Paris was the  
strongest article with foot work. They  
made a clean sweep in the half-mile run;  
the 220 dash; the quarter mile run and  
half mile relay race. A clean up of the  
100 yards dash was spoiled when Lewis  
of Norway nosed out third place.

Norway laid the strongest line of  
goods in discuss thorough with a clean  
up in that event. Ledger won first and  
high mark with the twelve pound  
shot, closely followed by Hubbard of  
Paris and Berry of Norway. Norway  
shaded her opponents slightly in the pole  
vault and running high jump and forced  
Brackett of Paris to his limit in the run-  
ning broad jump. Lewis and Dyer both  
of Norway split first and second in the  
high jump, giving Stan. Green of Paris  
third place.

Paris relay team led throughout the  
race. Each school entered eight sprinters  
with a pair set 220 yards apart.  
Brackett of Paris was the last runner  
and brought home the bacon with little  
extra.

road to avoid accidents. It is a pretty  
narrow place."

Francis Whitehouse MacKiman son of  
Rev. and Mrs. Norman MacKiman of  
Tapsbury, who graduates from Harvard  
this month has been awarded a Carnegie  
scholarship, which entitles him to a year's  
course in a French University. He plans  
to sail the first of September and remain  
in France for the coming year. He is  
grandson of the late F. C. Whitehouse of  
Tapsbury formerly of Norway, and a ne-  
phew of Mrs. Alice M. Marston of the  
place.

Mrs. William E. DeCoteau, wife of  
William E. DeCoteau of Norway, passed  
away Friday afternoon, June 2 at the  
Paris Sanatorium where she had been for  
treatment the past three months. In-  
fluenza followed with pneumonia last  
winter lowered her vitality, and she was  
unable to gain strength and recover good  
health. Her age was 26 years.

She was the daughter of Mr. and Mrs.  
James Carey of Taunton, Mass. and re-  
sided in that city until her marriage to  
Mr. DeCoteau who was owner of the Au-  
ditorium Theatre there. She was noted  
for her sweet voice and sang some years  
at St. Mary's Cathedral in her home city.

Mrs. DeCoteau accompanied her hus-  
band while touring with several theatri-  
cal companies and frequently played bits  
whenever necessary to fill a place in the  
cast.

The family came from Lewiston to  
Norway about two and a half years ago  
when Mr. DeCoteau was engaged to man-  
age the movie theatres at Norway, South  
Paris and Oxford. Mrs. DeCoteau fre-  
quently assisted her husband in his work  
and often acted in the capacity of cash-  
ier at the Rex. Being in delicate health  
she remained home a great deal and joined  
no clubs or societies in town.

Besides her husband and her parents she  
leaves two children, Rita aged four years  
and Eugene aged two years.

The remains were taken to Taunton for  
the funeral services and interment.

Baseball News and Gossip  
That George Keville has been signed  
to cover the Twins at the Twin-Towns  
baseball aggregation the coming season  
is mighty good news to many hundred  
fans. This popular player has arranged  
his summer work to conform to the de-  
mand for his services here and will be  
on the spot when the Twins pull off  
the opening show at the fair grounds on  
Saturday, June 17. Several crack-  
knacks now playing with the colleges  
have been added to the waiting list and  
everything points to a mighty strong ag-  
gregation. Probably the bearing won't  
get well oiled until the big tournament  
on July 4th, when the cream of the state  
will battle here for honors.

Secretary Stephen O. Jellerson was in  
Lewiston Thursday in consultation with  
the officials of the Augusta Athletic As-  
sociation. They propose to arrange a  
series of games similar to that put on  
with Oxford last season. This year the  
carried through should furnish enough ex-  
citement for one season, and prove a  
banner drawing card at both ball parks.

Augusta is conceded one of the heavy  
bids in Maine and a rapidly moving out-  
fit. The Twin-Towns realize this fact  
and will match their strength and skill  
to bring the honors into Oxford County.

Latest reported state Del Bissonette has  
signed as player-manager of the Lewis-  
ton Club. He will play first base.

Baseball season opens at the fair  
grounds Saturday afternoon, June 17.  
Westbrook is expected to be the attrac-  
tion. The Twin-Towns players will com-  
mence to arrive early in the week. Man-  
ager Masterman and Fuller expect to  
whip the boys into shape by the middle  
of the week and bring out a fairly  
smooth working gang before Saturday.

White-True  
Harry White and Maxie True were united  
in marriage, Saturday, by Wilfred G.  
Conary, Justice of the Peace. The cere-  
mony was performed at the home of Mr.  
and Mrs. Fred Kilgore, 57 Beal Street, the  
double ring service was used. The bride  
wore a dark blue traveling suit and car-  
ried a bouquet of bridal wreath flowers.  
The rooms were decorated with the flowers  
of the season.

The couple are employed in the shoe  
factory and reside with Mr. and Mrs. Kil-  
gore.

W. C. T. U. Field Day  
The annual field day for the members  
of the Norway W. C. T. U. and their  
families will be held on Thursday, June  
15th at Evergreen Cottage, Lake Pen-  
nesseewassee. The day will be rainy,  
the picnic will be postponed until Friday.  
The autos will start from Fletcher's can-  
dy store at 10 a. m. and those wishing  
transportation should notify the com-  
mittee. Mrs. Elizabeth Joslin and Mrs. Es-  
ther Sikkema not later than Tuesday  
evening. A picnic dinner will be served  
at noon and those not solicited are ex-  
pected to carry pastry and a drinking  
cup.

D. A. R. Field Day  
The D. A. R. held their Field Day Ex-  
ercises at the Barker Farm with Mrs.  
Edith Barker at hostess Wednesday, June  
7th. Ten members were present and six  
visitors. A bountiful luncheon was serv-  
ed consisting of sandwiches, cakes, pies,  
doughnuts, pickles and coffee.

At the business meeting it was voted  
to send \$5.00 to the Barry School and to  
purchase the D. A. R. magazine for Chap-  
ter reading for the year; also to purchase  
flags to mark all the Revolutionary Sol-  
diers graves in Norway.

The program is arranged in such a  
way that two members serve at each  
meeting and it is planned to have so-  
ciability one of the principal features  
of the coming year. The committee in  
charge of the "D. A. R." was Mrs. Edith  
Bartlett, Mrs. Hattie Brown, and Mrs.  
Nellie Dwinall.

Harry Lasselle is home from Tuft's  
Dental College, Boston.

DANGERS OF A  
COLD

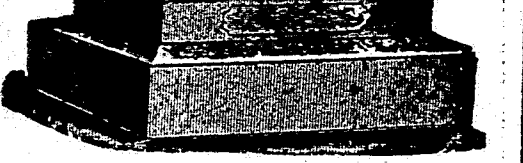

Norway People Will Do Well to Heed  
Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Norway resident's example:

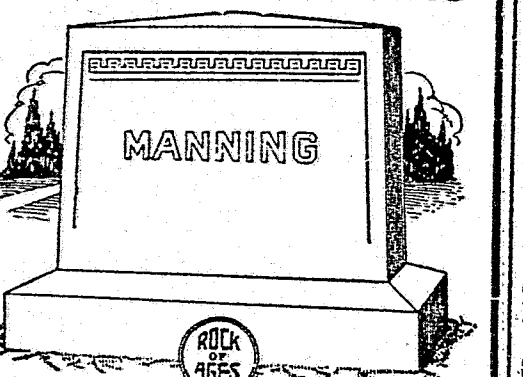

W. O. Needham, retired farmer, 230 Main St., says: "At different times when I have taken cold my kidneys were affected. I began using Doan's Kidney Pills when I felt my kidneys needed a tonic and Doan's always strengthened my kidneys and cleared my system of the excessive uric acid. I always feel better in a short time after using this remedy and know that Doan's are what give me relief." (Statement given July 24, 1908.)

On September 3, 1920, Mr. Needham said: "I haven't changed my good opinion of Doan's Kidney Pills since recommending them years ago. Doan's benefited me greatly and I haven't lost an opportunity of recommending them since."

## THE DAY AND THE WORK

To each man is given a day and his work for the day;  
And none, and no more, he is given to travel this way.  
And you, if he flies from the task, whatever the odds,  
For the task is appointed to him on the scroll of the gods.  
There is waiting a work where only his hands can avail;  
And so, if he falters, a chord in the music will fail.  
He may laugh to the sky, he may lie for an hour in the sun;  
But he dare not go hence till the labor appointed is done.  
To each man is given a marble to carve for the wall;  
A stone that is needed to heighten the beauty of all;  
And only his soul has the magic to give it a grace;  
And only his hands have the cunning to put it in place.  
Yes, the task that is given to each man, no other can do;  
So the errand is waiting; it has waited through ages for you.  
And now you appear; and the hushed ones are turning their gaze  
To see what you do with your chance in the chamber of days.  
—EDWIN MARKHAM.

## THE HIGH COST FALLACY

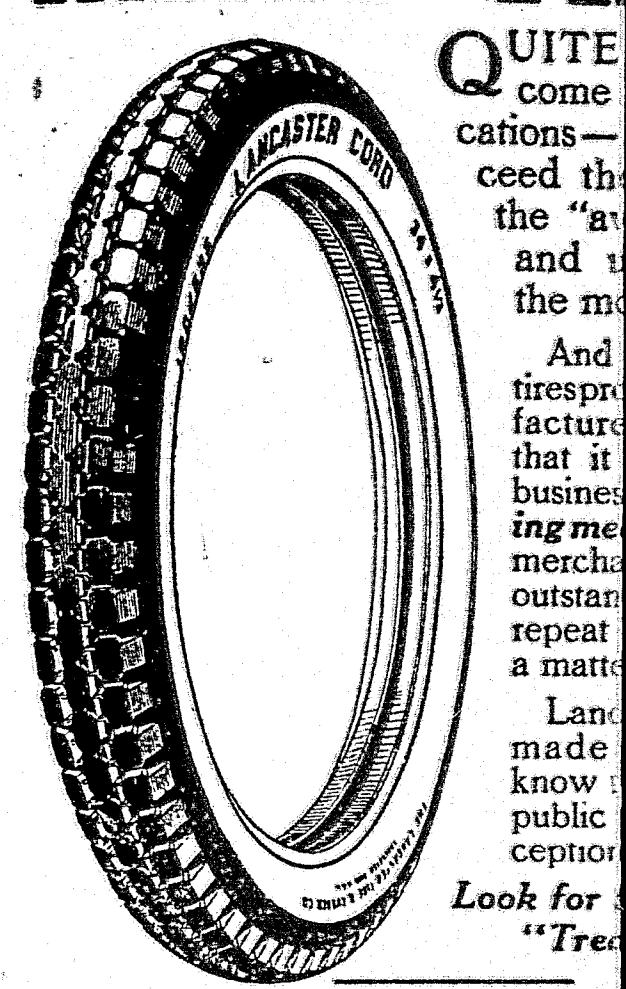

Some people have a mistaken impression regarding plumbing. They believe there are two kinds—the cheap job of seconds with skimpy workmanship and the unnecessarily expensive quality installation.

Such reasoning is entirely without the bounds of fact.

When building rest assured that your plumbing equipment can be what it should be—satisfactory in design, durability and price.

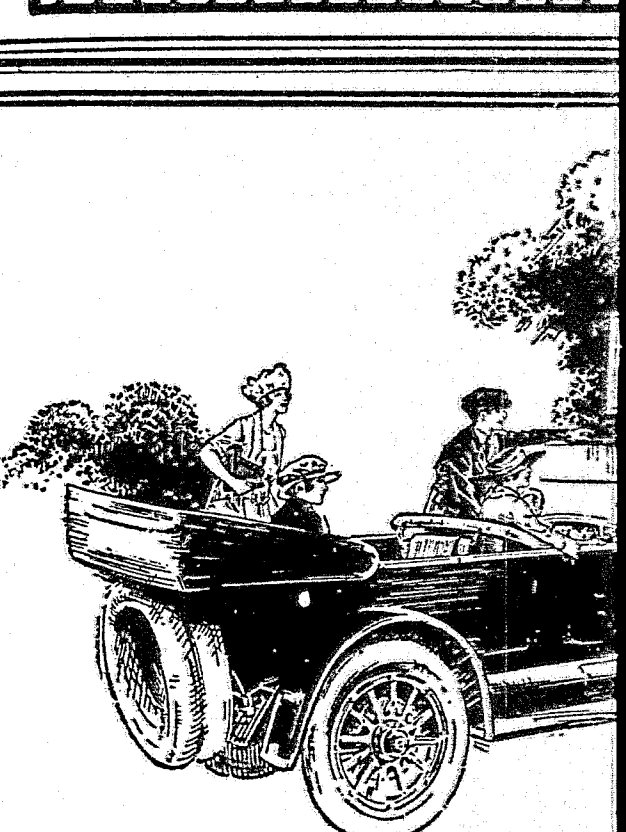

This we wish to demonstrate by going over your plans with you and showing the wide range of suitable "Standard" guaranteed plumbing fixtures which, with our charge for installation will satisfy you as to quality and reasonableness of price.

## MRS. ALEXANDER BRADLEY'S FIVE-YEAR-OLD DAUGHTER DANGEROUSLY ILL

Here is a little bit of true life put into a letter. Mrs. Alexander Bradley of Danbury, Conn., says: "After 14 long years trying different remedies I have at last found a good medicine—Dr. True's Elixir."

"I was nearly discouraged. I was giving the oldest girl something nearly every night, but now I keep a bottle of Dr. True's Elixir handy, and only give it occasionally. I have tried so many things but now as soon as I see signs of worms I give Dr. True's Elixir for quick relief."

"My son, 14 years of age, was always troubled with worms when small and 'Dr. True's' was unknown to me then. I always have it on hand now, as I have another small child. They even ask for more. Now please print this letter so other anxious mothers may know the good results which follow Dr. True's Elixir for children suffering with worms and constipation, as I cannot recommend it too highly."

Symptoms to watch: Constipation, offensive breath, swollen upper lip, deranged stomach, occasional pains, pale face of leaden tint, eyes heavy and dull, twitching eyelids, short, dry cough, grinding of the teeth, red points on the tongue, starting during sleep, slow fever.

A great deal of sickness comes from irregular bowels, a vital part of the body. At the first signs of constipation give Dr. True's Elixir—for it is the right kind—pleasant to take, with no gripping or distressing after-effects.

"A well-known New Yorker writes 'While visiting in historic old Plymouth, (Mass.), my family became acquainted with your Dr. True's Elixir, the True Family Laxative and Worm Expeller. It does all you claim for it in aiding digestion and relieving insomnia and constipation. Please ship me six large size bottles, for mother is in need of it.'"—Wm. I. Ralph.

Nearly every grown-up as well as every child needs a laxative. Keep the bowels regular by using Dr. True's Elixir. 40c—60c—\$1.20.

## COULD HARDLY STAND AT TIMES

Hips, Back and Legs Would Have That Tired Ache

Everett, Washington.—"For several years I have had trouble with the lowest part of my back and my hips and my legs would ache with that tired ache. I could hardly stand on my feet at times. I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound advertised and having heard several praise it I decided to try it. I feel first-rate at the present time. It has done wonders for me and I keep it in the house right along. I always recommend it to others who are sick and ailing."—Mrs. J. M. SIBBERT, 4032 High St., Everett, Washington.

To do any kind of work, or to play for that matter, is next to impossible if you are suffering from some form of female trouble. It may cause your back or your legs to ache, it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good.

Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "no good" feelings disappear.

It has done this for many, many women; why not give it a fair trial—now.

I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound advertised and having heard several praise it I decided to try it. I feel first-rate at the present time. It has done wonders for me and I keep it in the house right along. I always recommend it to others who are sick and ailing."—Mrs. J. M. SIBBERT, 4032 High St., Everett, Washington.

To do any kind of work, or to play for that matter, is next to impossible if you are suffering from some form of female trouble. It may cause your back or your legs to ache, it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good.

Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "no good" feelings disappear.

It has done this for many, many women; why not give it a fair trial—now.

## South Paris

(Continued from page 1)

Big Sale and a Big Time  
One of the big affairs, locally was the South Paris Merchants' Association three days sale, Thursday, Friday and Saturday of last week. The opening day was a "boomer" with the crowds spending real money and the new stores of L. F. Pike Co. and the Roger Davis Company located in the Association block open for inspection and business.

All business concerns offered big reductions during the sale and tastefully arranged their goods for the best display of bargains offered. Not in years have the local merchants gone after business with the same pep and dash. All conceded this event the most lively and progressive cooperating merchandizing movement ever staged in South Paris.

Naturally the new stores in the Association block attracted many patrons and sightseers. The Roger Davis Co. is supplying two large stores and basement, and the L. F. Pike Co., Blue Store with a new line of gents' furnishings were centers visited by the throngs. H. I. Fogg's tansorial parlors in the same block were resplendent with new fixtures and an attractive revolving sign operated electrically. All places of business were "shined up" and received a patronage during the three red letter days.

Sociality league supreme Thursday evening and Market Square was brilliantly illuminated. Norway-Paris band rendered a high class concert and the young people fox-trotted and one-stepped on the cement road to the jazz music. Warm weather forced crowds into the refreshment parlors where nimble assistants dispensed cones, bottled sodas, college ices and other cooling dainties.

Lowering skies Friday pelting showers kept many shoppers home and disappointed hundreds who had planned to gather in the Square Saturday evening for the band concert and impromptu dance on the State highway. Despite the unfavorable weather, a good sized crowd roamed the streets Saturday evening until a late hour and made sizable purchases. The concert was omitted. Robert Shaw's store was the mecca for radio phone enthusiasts and several good numbers broadcast from New York were heard. Open house was in order where private rooms is installed and social gatherings and acquaintances were held. Special attraction at the Strand Thursday evening was "Flashes of Action" put on by the American Legion. Other features were shown during the sale.

Buckfield defeated Paris at Buckfield Wednesday 2 to 1. It was a fast game and close and interesting to the end. Both teams played good ball and safe hits were few and scattered.

Both pitchers were working well, although Starbird had a bad inning in the sixth and forced across a run with three bases on balls, the first score of the game. In the seventh he came through with Paris' only score on passed balls, after making second when Bonney overthrew to first.

In the eighth Rhodes came across with Buckfield's winning run. The score:

## A Good Reputation plus a Better Price - \$10.90

**THE** new low mark of \$10.90 for the 30 x 3 1/2 size "Usco" created something of a sensation. Naturally, the first impulsive remark was on the "wonderful price."

Even more to the point are the comments of today.

People are getting more used to the \$10.90 price—but the "Usco" value is still a cause for wonder.

With thousands of \$10.90 "Usco's" running today, every locality has had a chance to check up on the surprising tire value.

Let all these "Usco" Tires now serving their owners so well remind you of this—

Whatever the price of "Usco," it has got to deliver big value because it has *always* done so.

### OXFORD COUNTY COUNCIL DRIVE

Mexico-Advisory Board (Boy Scouts) has taken the lead in the Oxford County Drive for Boy Scout Funds by passing in the first local quota to H. C. Rowe, Treas. O. C. C., Bethel. As well as being first on the financial end of Scouting, Mexico has two troops of live Scouts backed by a local organization second to none. Someone had to take the lead and Mexico was ready. Several other towns are well underway on their local drives and second place will be closely contested. Scouting in Oxford County is on a different standing than it has been in the past and is the One Big Boy's Organization of Oxford County with three hundred and fifty boys enrolled and everything on the gain. One hundred and fifty (150) influential men interested in the boys of the country have charge of the various local Advisory Boards and are pushing things along with a zeal that has never been shown before. The numbers are fast increasing and the interest more so in proportion. Everything bids fair for a record breaking year for Scouting in this County. The Oxford Council plans to finish the main drive by June 15th. Co-operation of the different towns will put this across in short order. If you are not approached for a contribution, send in directly to your local Treasurer. All funds over above the local quota stays in the hands of the Local Treasurer for use in local Scout work as the Advisory Board sees fit.

HERBERT L. RIDLON

Porter, Maine

Candidate for Republican Nomination for County Commissioner, Oxford County at the June Primary Election.  
Six years ago I was a candidate for this office and was defeated. At that time I was unable to make the acquaintance of the voters of the County, owing to the illness of my family and I feel at this time that I am the logical candidate and entitled to the nomination and I am asking for your support at the Primary Election.  
The town of Porter has never had a County Commissioner since its organization.  
Have served my town thirteen years as Selectman, eleven years of this time as chairman, was re-elected chairman at the last election.  
After viewing all of the claims of the different candidates for the office, don't you think I am entitled to the nomination?

I thank you for your attention and vote on June 19th.  
Respectfully,  
HERBERT L. RIDLON,

## Mrs. Johnson Says She Had Lost Heart

Was Thoroughly Discouraged Over  
Her Serious Condition, But  
Declares Tanlac Soon Restored Her  
to Splendid Health.

"Tanalac built me up from almost a complete wreck to the healthy woman I am now, and I'll always praise it," said Mrs. Georgianna Johnson, 81 Center St., Portland, Me.  
"For three years I suffered untold agony with stomach trouble and nervousness. I went through, nearly every day, all the pain and distress a disordered stomach causes. Then, my appetite failed me and what little I forced down didn't seem to strengthen me. My nerves were almost shattered, the least noise upset me, and it was next to impossible for me to sleep. Finally I collapsed completely and had to be carried to my bed."  
"It looked very discouraging for me, but Tanlac brought me around in fine shape and I'm now in the best of health, full of life and energy, and have gained several pounds in weight. Tanlac is so good everybody should know about it." Tanlac is sold by all good druggists.

## HEADACHE

is only a symptom of trouble somewhere in your system. If your headache comes from your eyes, consult an oculist at once; but if you have a headache with furred tongue, nausea, loss of appetite and constipation, it usually comes from disordered digestion or torpid liver and one or two doses of "L. F." Atwood's Medicine will give speedy relief by carrying off impurities and restoring the clogged digestive organs to their normal activity. In using this reliable remedy you take no chances. It has a record of more than sixty years as a safe headache remedy.

West Paris Boy Scouts Have Council Fire On Hill Top

On Tuesday evening Troop No. 1 West Paris held its second Council Fire. The wood for the fire was gathered before dark and a small hardwood fire started for cooking purposes and for popping corn. When darkness settled enough to show up the fire to good advantage the main pile was touched off. The position of the Council Fire gave it a sight range of ten miles.

The evening was spent telling stories, popping corn, and general filling up procedure. When things were in full swing, a thunder shower backed up and drove the scouts into the sheltering folds of a big barn. Among the mice and spiders the scouts averaged a hour's sleep. Scout Executive Perham accompanied the troop on the trip.

This form of out-of-doors meeting finds much favor with all troops who eventually take it up. Sleeping under the stars never hurt the best or the worst boy and all of them take to it like ducks to water. These good times are clean spots for any boy and makes a good substitute for idle time.
